Your registration reference# is: X2UL.4-7E6F75A7
Please keep these details safe for future use!

To activate xplorer2, first copy out the key text above (e.g. using <Ctrl+C>), then start xplorer2 and in the opening screen click on the button I HAVE AN UNLOCK KEY, then follow the instructions.

Alternatively use the menu command HELP > ACTIVATE WITH KEY where you will be prompted for this unlock key. If using the Ribbon UI click the leftmost ribbon tab and use LICENSE MANAGEMENT submenu.

IMPORTANT

This key will only unlock the latest version of xplorer2 ULTIMATE. If you have any problems using the key please make sure you have installed the correct version (use HELP > ABOUT menu command). If you don't have the correct version, please download it from the website (link below).

Now that you are a registered user, you will enjoy a first class customer support service, should the need arise. Please quote your registration reference number (the second number in the box above) in all your communications.
